Service of Holy Communion

Communion in the United Methodist Church is open to all. We believe that communion is what John Wesley called a "means of grace," whereby people can come to know Christ. From our tradition the formal invitation is this: *Christ our Lord invites to his table all who love him, who earnestly repent of their sin and seek to live in peace with one another.* Therefore, let us draw near with faith, make our humble confession, and prepare to receive this Holy Sacrament.
