

A Word from Pastor David Johnson

Welcome to St. Andrew's. I would like to introduce you to our Sunday morning Small Groups. Our mission at St. Andrew's is "To make Disciples of Jesus Christ." Disciple making is very important to us. We fully believe that being in a small group is imperative for you to grow into a mature disciple. Don't think that a Sunday morning group is only about study, it is also about fellowship. Being a part of an ongoing group of people who care for, pray for, and encourage you is worth more than gold or silver. No matter how independent we are, each of us needs the support of others because that is how God created us. Together, people find the miracles of God through the workings and understandings of the people around us. There is good reason to join us in "Making Disciples."

If you are participating in Sunday Worship services only and are not part of a Sunday morning group, then I encourage you to consider attending one of the groups meeting at 9:30am or 10:50am. Our groups know to expect first-time visitors and they will welcome you with open arms.

Small Groups
~ 9:30am. ~

DISCOVERY – Room B1 - Mark Day leads this class which is a diverse cross section of friends: politically moderate, mostly middle aged adults, many with adolescent and young-adult children. Often coordinating with the Pastor's sermon, lessons center on interpretation and application of the messages of the Bible as they relate to today's society. There is usually lively discussion laced with humor where all viewpoints are encouraged. Members of this class also enjoy a variety of social activities outside of class.

EAGLES – Room B6 – Our class name comes from Isaiah 40:31...*but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.* We are a family-focused group of 30-, 40-, 50-somethings (couples, singles and parents) who put our hope in the Lord. We meet at 9:30am for "breakfast chat" followed by our Sunday school study and ending with prayer. We always welcome newcomers to the class and offer opportunities throughout the year for community mission projects and social gatherings. So whether you are new to faith, new to St. Andrew's, or simply looking for a new Sunday school, you can find a place with the Eagles.

F.R.O.G. 24/7 – Room B3 – (Fully Relying On God 24/7) - This new class is relevant for both single and married young adults. New members will feel very comfortable in this class. The studies are focused on the fundamentals of Christianity. Fellowship events (outside of class) are regularly planned.

KOINONIA – Room B10 - Koinonia is Greek for "fellowship and sharing in common communion". This class is made up of loving, caring mature adults. Our class lessons are biblically based and discussion oriented. We are led by Ike Dodrill and Jerry Aylor as well as other class members who teach a lesson periodically. We enjoy getting together for a monthly Potluck lunch and we participate in numerous ministries in the church. Our members include a medical missionary team, several Stephen Ministers, Sunday school teachers, and Disciple class leaders. We support St. Andrew's through mission projects such as Santa's Cause, Grace Fellowship, Whiz Kids, and other community outreach programs. We are a large class but always welcome visitors and new members with open hearts. Come see for yourself how this class with the love of Christ can help you grow in your faith while having an enjoyable experience with other Christians.

THE VINE - Room B5 - This group welcomes branches of all kinds - singles, spiritual singles, married couples, blended families and anyone else who is looking for a Sunday morning small group. Social activities include monthly group events (watch the bulletin for details). If you would like to branch out and meet new people, our group is the place for you. Contact Charlotte Chadderdon at 990-0096 for more info.

VOYAGERS – Room B8 - This class is a mixed group of singles and married couples of various ages and interests. We have an annual Super Bowl party as well as other special occasions throughout the year. We have an interactive class, in other words, we discuss a lot! Come and enjoy this great group!

STRONGHOLD - Room B1 - This is a new class being led by Monica McAfee. The class name comes from Psalm 18:1-2 as well as from their "strong hold" on Christ, faith, and each other. It is a group composed of an eclectic crew of young adults from various walks of life who are single, married, and parents. This group of growing friends dive into lessons where scripture is related and applied to current events and our lives today. Group discussions are filled with personal sharing, laughter, and diverse points of view. While a variety of social activities and fellowship are frequently enjoyed outside of class, members of this group seek out ministry and community outreach opportunities to participate in together. Newcomers are always welcome to join in on this fun group!

AGAPE – Room B8 - This class studies biblical topics ranging from the foundations of our faith to a better understanding of Christ and prophecy, mixed with good fellowship and class participation. Periodic class parties, hands-on participation in missions, and church-related activities enhance our fellowship. The teachers are Don Bowen & various guests. This group welcomes couples and single adults of all ages.

SEEKERS – Room B10 - This class, facilitated by Larry & Janie Hink and Kevin & Kerri Guarnera, offers a biblically-based study of the Word and topics relevant to anyone on a Christian walk in today's society. This often generates frank and humorous discussions where all can feel comfortable participating. We have a very diverse group and welcome couples and single adults of all ages and backgrounds. The members of this class are very active in church activities and participate as often as possible in mission projects as well as fun, fellowship opportunities. Come join us!
