The Easter Experience

“Godly sorrow brings repentance that leads to salvation and leaves no regret, but worldly sorrow leads to death” 2 Corinthians 7:10

- One of the harsh realities of life is that we all make mis-takes
 - But life is not like a children’s game
 - Where we can call time out, and call a “do over”
- The question is before us “Can my life change?”
- Judas’ regret leads him to remorse - an overwhelming regret that turns him away from hope
- Peter does not allow remorse to engulf him, rather he lets his regret lead him to repentance
- Jesus will restore you!
- When the devil reminds you of your past, simply remind him of his future
