November 2011

DA Good News

Sunday, November 6, is Commitment Sunday! On this day we will bring our commitments for 2012 to present to the Lord. These commitments center around the fruitful practices of growing congregations, including our financial commitments. Our Finance Committee will work to develop our ministry budget out of our financial commitments. We will also present to the Lord our commitment to our **Prepare the Way** campaign. This will be a glorious act of worship as we respond to what we believe God's answer is to us when we have prayed "LORD, what do you want to do through me?"

November is also a time for us to explore some questions of faith. Christians and non-Christians alike have questions about suffering, love, prayer and a purpose for living. Sermons and small groups will center around the book **WHY? Making Sense of God's Will** by Adam Hamilton. If you have not already committed to a small group, contact Pastor David and he will help you get connected. The formation of small groups is a great way to grow as disciples of Christ as we experience the warmth of Christian community.

Grace and peace,

D.A.

Have you been wanting to find out more about our church? Have you been thinking about joining St. Andrew's? Sunday, November 20, at 4:00pm, you are invited to our monthly "[Coffee with the Pastor](#)." During this informal time, you'll hear the story of St. Andrew's, our mission, method and vision, and we'll lift up our five membership expectations. After a question and answer time, inquirers are free to go. Persons interested in membership are invited to remain for a time of commitment. Membership at St. Andrew's is a great way to "get connected!"

United Methodist Men

The St. Andrew's United Methodist Men continue to focus our efforts in a manner that enables our church to be the best it can be. With the holiday season quickly approaching, we search for ways to minister to those who could benefit from our presence. What suggestions do you have for us? Is there a project or a mission that you could use our help with? Is there a role we can play to ultimately benefit an individual or group in our community?

If you have an answer for these questions, please contact your United Methodist Men's group today. Better yet, attend our monthly breakfast meeting, so we can meet with you and get to know you! Join us on the 3rd Saturday of every month...we would be honored.

Call Steve Henson, UMM President, at 627-9954 for more information.

If you have bought trees and need the receipt, just ask for a copy of the receipt and place it in the box. All the proceeds go to help the various mission projects throughout the year.

Who wants breakfast? On the third Sunday of each month, the “B”-ing Women are cooking up fresh **Breakfast Tacos**. We have four kinds to choose from: egg and bacon, egg and sausage, combo - egg, bacon and sausage, and bean and cheese each for \$1. Update From Africa

We hit water!

Generations Children's Home, Tharaka, Kenya

Our children's home now has a water well. At 300 feet the drillers hit water. For the first time our 130 sponsored children have access to clean drinking water. And the goats and chickens can have water when desired. Now our questionable nearby stream will be used only for irrigation. This water well, with His pure water, will definitely be a blessing to our children. There is just one more requirement: a pumping system. But that's the next story.

Kristin Brown Commissioned

Some of you may remember Kristin Brown from the missions fair weekend. She shared that she would be traveling to Palestine to work among Christians. Recently, Kristen was commissioned as a United Methodist missionary. Look who is participating in her commissioning - our own Sam Aguirre! Sam is on the board of directors with the General Board of Global Missions and was honored to participate in the laying of hands in Kristin's commissioning service.

Bishop Bruce Ough (left), Thomas Kemper, Sara Dunlap and Sam Aguirre (Director - Oklahoma Conference) lay hands on Kristin Brown. She is commissioned to be a United Methodist missionary during the Global Ministries Board Meeting; Fall 2011.
